**Approved**

All changes apply.

**Approved in Part**

Specify below which changes **do not** apply.

**Denied**

State the reasons for denial below.

**Comments:**

The request is denied because the declarations from the added inventors lack a statement indicating that the addition is necessitated by amendment of the claims. See 37 C.F.R. 1.48(c)(2). To correct the inventorship of U.S. Patent No. 7,214,364 the petitioners need to submit the documents set forth in 37 C.F.R. 1.324 (b)(1)-(4) and pay the fee set forth in 37 C.F.R. 1.20(b), because the inventorship is being corrected on an issued patent.
